Woody Holler has spent his life singing cowboy songs of the 1920s to 1940s and is known across the prairies for his lyrical yodel. Woody's influences include Gene Autry, Roy Rogers and Bob Wills. Woody, also a trained opera singer uses his honed voice to bring a memorable luster to his performance—his voice is true tenor and carries that rare quality that only a tenor can. The repertoire features finger-snapping shuffling swing beats, honey-slowed love croons, and show stopping "extreme" yodeling.

The Last Word...

Swamp Gas appeared on stage in *Oak Point Community Park* on August 20th and at the *Moosehorn Community Hall* on August 21st. With both performances the audience was given a fantastic performance of Celtic, and down east style music. Those in attendance shared that they “enjoyed this band very much”. “Loved the toe tapping music”, “great performance and what fun”. We will plan to bring them back in the future.

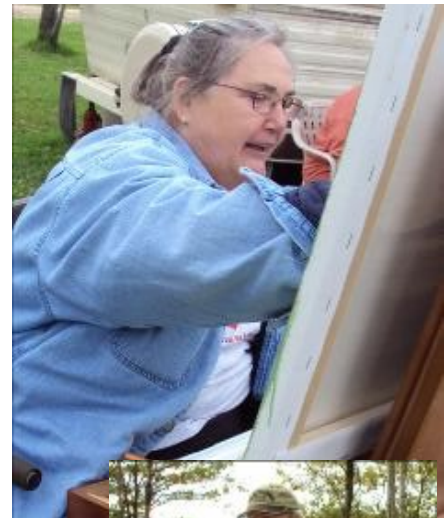

The **IOAA 2nd Annual Artists Retreat** is just over, and what a wonderful time we all had. A lot was learned about form, colour mixing, composition, using the digital camera as a sketch book, and experimentation with a variety of mediums. We explored a number of works and styles by well known Artists through books, and slides. We all want to thank Graham Clarke for helping us develop new skills and increase our knowledge.

Participants came from Haywood, Wanless, Moosehorn, Ashern, and the St. Martin areas. You made the weekend special and I look forward to seeing you next year.

I would also like to thank Barb Olender and Shirley Duseigne for their culinary skills; **Benson’s Big Rock Camp and Camp Ground** for the great accommodation, and making our stay so enjoyable, Sepia Suz (Debbie Falk, Jody Oversby, and Raine Cook) for coming on the Saturday evening to entertain us by performing their own songs for the first time, they did a wonderful job; and the Manitoba Arts Council for their support.

Visit our website for upcoming events.

Have a wonderful fall!
